WORKED ALL RIGHT

The New Fire Nozzle Attachment Proves a Success

The announcement in the papers that the Fire Department would again test the new appliance for extinguishing fires at the foot of Sutton street yesterday evening at 7 o'clock attracted several hundred people to witness the test.

The new invention was put through all the tests and acted admirably in every instance.

The spraying device and the shut off at the fireplug caught the crowd, while an expression of approval of all its essential parts was general.

Tom Lalley manipulated the works at the fireplug as one who knew his business, and the result was there was no bursting of hose or knocking nozzlemen in the air as was the case on a previous test.

TWICE-TOLD TESTIMONY

Maysville People Are Doing All They Can for Fellow Sufferers.

Maysville testimony has been published to prove the merit of Doan's Kidney Pills to others in Maysville who suffer from bad backs and kidneyills. Lest any sufferer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Maysville people saying that the cures they told of years ago were permanent. Here's a Maysville case:

George N. Crawford, blacksmith and wheelwright, at Second and Lee streets, and living at 216 Lee street, Maysville, Ky., says:

"In the spring of 1900 I gave a testimonial telling what Doan's Kidney Pills had done for me, and I am pleased to say I can just as warmly recommend this remedy now as I did then. No other medicine ever gave me such prompt and positive relief from backache and kidney trouble as Doan's Kidney Pills, procured at J. Jas. Wood & Son's Drugstore, and I believe them to be far the best remedy for kidneys there is. Sufferers from such troubles ought to give it a trial."
